2024 Annual Shareholders Meeting

May 7, 2024

Caution concerning forward-looking statements:

This document contains "forward-looking statements" – that is, statements related to future events that by their nature address matters that are, to different degrees, uncertain. For details on the uncertainties that may cause our actual future results to be materially different than those expressed in our forward-looking statements, see www.geaerospace.com/investor-relations/important-forward-looking-statement-information as well as our annual reports on Form 10-K and quarterly reports on Form 10-Q. We do not undertake to update our forward-looking statements. This document and the accompanying presentation may also include certain forward-looking projected financial information that is based on current estimates and forecasts. Actual results could differ materially.

GE Aerospace's Investor Relations website at www.geaerospace.com/investor-relations, as well as GE Aerospace's LinkedIn and other social media accounts, contain a significant amount of information about GE Aerospace, including financial and other information for investors. GE Aerospace encourages investors to visit these websites from time to time, as information is updated, and new information is posted.

General Q&A

GE: Positioned independent companies for success

Delivered for shareholders in 2023

Excellent financial results from strong demand & better execution ... ~3x earnings, much higher FCF*

Simplified balance sheet ... continued exiting equity stakes and redeemed preferreds while returning ~\$2B through dividends & buybacks

Strong foundations for independent companies ... dedicated BoDs, investment-grade ratings

Created value through GE's transformation

Strengthened our businesses ... scaled lean and decentralization; built lasting culture

Improved our financial position ... reduced \$100B+ debt; significantly de-risked GE

Formed independent GE HealthCare, GE Aerospace, and GE Vernova ... fit for purpose

* Non-GAAP Financial Measure
